ORDER of AHEPA
THERMOPYLAE Chapter 445
Delaware County, Pennsylvania

Scholarship and Scholastic Achievement Program
2023 Scholarship Application

History

Since 1974, Thermopylae has awarded scholarships to deserving students enrolled at or entering institutions of higher learning. Initial awards were in the names of our founders-- George Zanthopoulos and Louis Morkides. Subsequently, over the years Thermopylae has awarded additional scholarships in the names of our departed brothers Chris Masters, C.Dean Polites, Theophilos Constantinidis, Dr. Chris Patterson, Danny Kathopoulis, Anna and Vasilis Karavasilis, Gregory Vlassopoulos, James and Thelma Tanos and Despina Lewis. To date, the chapter has awarded over \$100,000 in scholarships. Our goal is to continuously increase the awards. In recent years there has been increased interest in the scholarship program and in some academic years the awards were divided among the participants. Since 2010 the chapter has decided not to split the various named scholarships which allows for a greater monetary award. However this change will produce fewer awards provided to individuals and therefore competition could be keen. Good luck!
